»Study nature, love nature, stay close to nature. It will never fail you.«

Franc Lloyd Wright

Andrej Milič

»Look deep into nature, and then you will understand everything better«

Albert Einstein

**Give a thought towards Nature.
It may be the beginning of your
loving kindness towards
Humanity.**

Andrej Milič

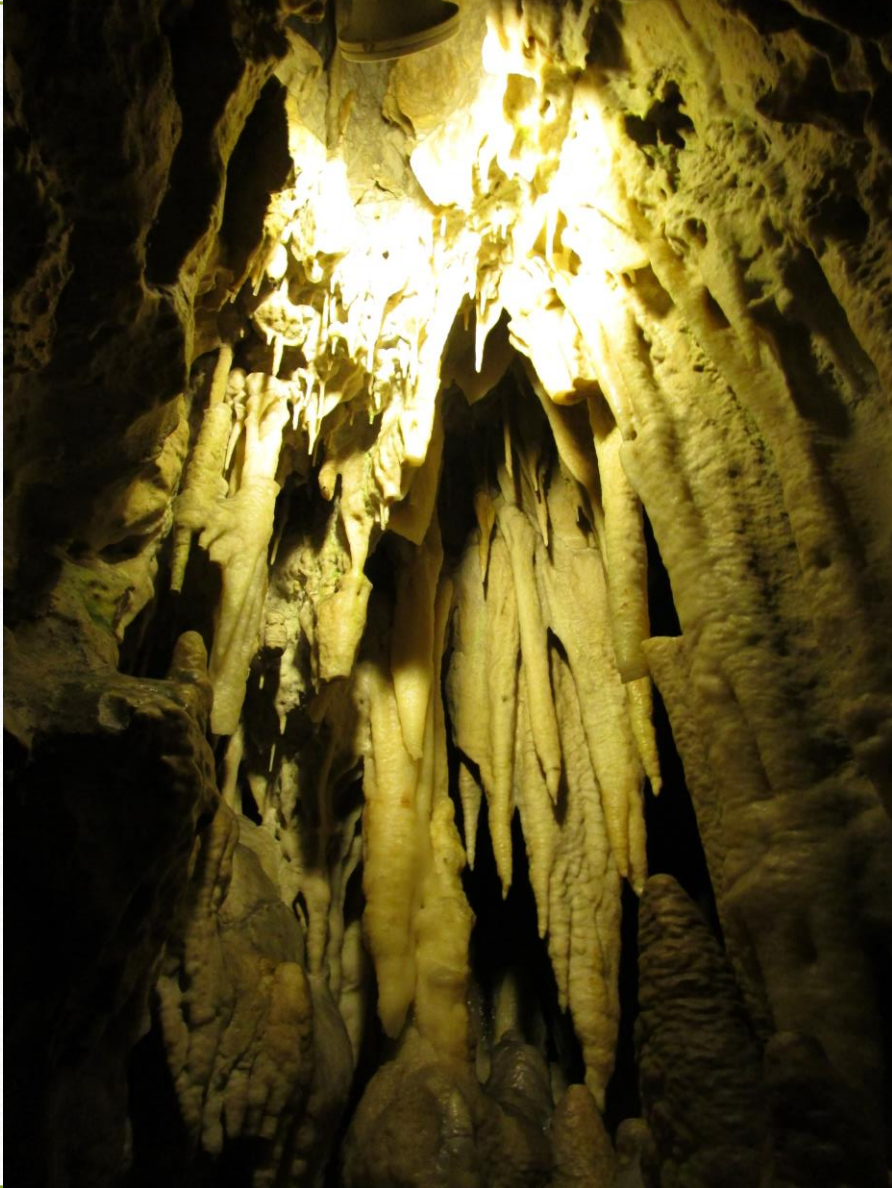

**Sometimes you find
yourself in the middle of
nowhere, and
sometimes, in the
middle of nowhere, you
find yourself.**

Denise Frandolic

The woods are lovely, dark and deep, but I have promises to keep, and miles to go before I sleep...

Denise Frandolic

“We should preserve every scrap of biodiversity as priceless while we learn to use it and come to understand what it means to humanity.”

E. O. Wilson

Giorgia Sinigoï

A photograph of a garden bed with green plants and white flowers, overlaid with a quote. The quote is in white text on a semi-transparent background. The garden bed is filled with green plants and white flowers, with some brown leaves scattered on the ground. The quote is centered in the image.

“Keep love in your heart. A life without it is like a sunless garden when the flowers are dead.”

Henri Matisse

Giorgia Sinigoi

Nature always
wears the colors
of the spirit.

Ilaria Vitturelli Fabioli

Ilaria Vitturelli Fabioli

“Nature does not hurry, yet
everything is accomplished”

Lao Tzu

“If you truly love nature, you will find beauty everywhere.”

Giulia Rorato Aurora Rupena

Diversity may be the hardest thing for a society to live with and perhaps the most dangerous thing for a society to be.

Giulia Rorato
Aurora Rupena

“In nature, nothing is perfect and everything is perfect. Trees can be contorted, bent in weird ways, and they’re still beautiful.”

Alice Walker
